- 
- Teaching Classroom Mathematics to Develop Creativity-Techniques and Evaluation Instrument. Bulletin of the Higher Education Research Institute, Tokai University,. No.10, 29-40(2002), (with C. Nara, T. Sakai, M. Sato, K. Ueda) \* in Japanese
- 
- Using "Study Projects" for Deeper and More Satisfying Learning Experiences-More Programs from Tokai Academic Mathematical Olympiads. The Bulletin of the Higher Education Research Institute, Tokai University, 9-52(2001),(with T. Ooya, T. Sakai, and C. Nara) \* in Japanese
- 
- Experimental Classroom Teaching of Mathematics in Practice with Emphasis on the Development of Innovative Mathematical Abilities and Related Challenging Problems. Bulletin of the Higher Education Research Institute, Tokai University, No.9, 9-27(2001) \* in Japanese
- 
- Nonstandard Ways of Teaching Standard Mathematics II-Miscellaneous Properties of Circles-.The Bulletin of the Higher Education Research Institute, Tokai University, 1-14 (2000) (with T. Sakai,N.Torigoe and Y. Watanabe)
- 
- Review of the Report of Physics Education Committee. Proc. of Applied Physics Soc. 68 (3), 258-259(1999) \* in Japanese
- 
- Teaching Probability Distributions with a Cradle Pinball Device. Proc.of the 8th Southeast Asian Conf. on Math. Educ.,Ateneo de Manila University Press, 69-75(1999) (with N.Torigoe)
- 
- Nonstandard Ways of Teaching Standard Mathematics.Proc.of the 8th Southeast Asian Conf. on Math. Educ., Ateneo de Manila University Press, 7-33(1999) (with T. Sakai and Y. Hirano)
- 
- Theorems and Problems in Basic Geometry Arisen from Everyday Life. The Bulletin of the Higher Education Research Institute, Tokai University , 113-134(1998) (with T. Sakai)
- 
- An Analysis of the Mathematical Art Exhibition from the Viewpoint of Mathematics Education. Bulletin of the Higher Education Research Institute, Tokai University,. No.6, 85-97(1998) (with J. Ooya et al.) \* in Japanese
- 
- Teaching Mathematics on Television. Proc. of the Second Asian Math. Conf.1995, 575-584(1998)
- 
- On the use of the History of Mathematics in Mathematics Education. The Bulletin of the Higher Education Research Institute, Tokai University, 67-79(1997) (with Y. Hirano)
- 
- A Generalization of a Problem Posed in Mathematics Olympiad. Proc. of Fac. of Sci., Tokai University, 59-61(1992) (with M. Nakajima)
-
